Auschwitz Escape - The Klara Wizeł Story

Synopsis

At sixteen years old, Klara Wiesel is full of life with a loving family. But her spirit quails when she and her family are swept up with fifteen thousand other Hungarian Jews and forcibly transported to one of the world's most infamous concentration camps: Auschwitz-Birkenau. There Klara comes face to face with one of history's most infamous Nazi doctors, nicknamed The Great Selector and the Murderer in White, Josef Mengele. Klara watches in horror as Mengele sends her parents, her younger brother, and her older sister to the gas chamber, leaving Klara and her two remaining sisters to be housed like animals in the women's barracks. They live in constant fear of Mengele choosing them for one of his cruel scientific experiments. As the Russian allies close in, Mengele steps up his selection process and sentences Klara to the gas chamber. But in a miraculous turn of events, Klara escapes both the chamber and Auschwitz itself and makes her way across war-torn Europe back home to Sighet. The only survivor of record to escape Mengele's notorious death selection process, Klara's is an extraordinary and inspirational story of survival and resilience in the face of deep loss and extreme cruelty.

What a wonderful story. I called this 'Reunion' because, what are the odds of finding your siblings Alive and well when so many of your race/religion was systematically slaughtered? I have read several holocaust stories and this one is right up there.

I loved it.

I haven't started reading it yet, but by reading the back cover in sure I will like it.

Everyone needs to read this then thank God you live in the USA.

A very interesting read. It was strange to see how the twist and turns of life could change a situation in an instant.

This book is very emotional. It tells a story of survival and loss. Sadness and faith. I became obsessed with it when I started to read it. It really made me feel sadness, joy, suspense, and others. I highly recommend this book to anyone who wants to read a well-written book about the struggle to survive, as a Jew, during the time of the deadly World War 2. (P.S I'm only 12 years old.)

This was such a tragic story out of 12 people in her family and only 3 survived she was a very strong girl especially for someone so young.

it was a good read.
