Theresa Pulido enjoyed a 15-year career in marketing and public relations while indulging in her

favorite hobbies and crafts. In 2006, she decided to focus on her creativity full-time and joined Bali Fabrics as marketing director to develop a line of craft products. Today, Theresa is the general manager for Princess Mirah's crafts, a division of Bali Fabrics where she oversees the development, production and promotion of a line of crafts for the needlecrafts, paper crafts and mixed media markets.

These were all great books. Inspired me to try some new needlework. And of course, the Rick Riordan books were necessary to finish out the series. Thanks.

I liked this book easy to follow I wanted to learn how to do this and am sure this book will teach me!

Have tried one project so far and liked the way it turned out. Plan to use other ideas in the book to make as gifts. It is easy to follow and well written. For those who like crafts, this is a fun way to incorporate something new into your repertoire.

Written very clearly - some different techniques using other medium besides material. I learned a few new things by reading it. If you are experienced though, I am not - a beginner to this craft - there might not be a lot in this book for you.

Great resource book for lockerhooking.

Great book and easy to understand. Have made two projects in last month.

excellent visuals and pictorial descriptions.... clever alternate ideas to floor mats

very good
