Michael Connelly CD Collection 3: The Poet, Blood Work

Synopsis

The Poet Our hero is Jack McEvoy, a Rocky Mountain News crime-beat reporter. As the novel opens, Jack's twin brother, a Denver homicide detective, has just killed himself. Or so it seems. But when Jack begins to investigate the phenomenon of police suicides, a disturbing pattern emerges, and soon suspects that a serial murderer is at work—•a devious cop killer who's left a coast-to-coast trail of "suicide notes" drawn from the poems of Edgar Allan Poe. It's the story of a lifetime—except that "the Poet" already seems to know that Jack is trailing him. Here is definitive proof that Michael Connelly is among the best suspense novelists working today. Blood Work Thanks to a heart transplant, former FBI agent Terrell McCaleb is enjoying a quiet retirement, renovating the fishing boat he lives on in Los Angeles Harbor. But McCaleb's calm seas turn choppy when a story in the "What Happened To?" column of the LA Times brings him face-to-face with the sister of the woman whose heart now beats in his chest. From her, McCaleb learns a terrible truth: that the donor of his heart was not killed in an accident, as he'd been told, but was murdered. Wracked with guilt over the fact that he's alive because another human being was killed, McCaleb embarks on a private investigation of his donor's murder—a crime as horrific as anything he ever encountered as a serial killer investigator for the FBI.

Customer Reviews

Michael Connelly is a former journalist and author of the bestselling series of Harry Bosch novels and the bestselling novels Chasing the Dime, The Poet, Blood Work, and Void Moon. Connelly has won numerous awards for his journalism and novels, including an Edgar Award. He lives in Florida.

My problem with these two books was that the narration was terrible. I listen to a lot of audiobooks as I have a long daily commute. These two early Connelly books sound as if a junior high school student was doing the reading. I literally threw the books away. What made it really sad is that I remember reading *The Poet* some years back, and it was an exciting, gripping tale - not so as narrated!

I was so disappointed upon receiving these. I got them for my husband to listen to in the car, and then I donate them to our library. These are like a condensed version of the book.

This was an abridged version, full versions better. I didn't know till got it, 3 CD sets. Recommended to hear full versions, richer

Arrived promptly, as described, no problems.

Love these, I travel a lot the books are wonderful.

ok

Can't wait to read another Michael Connelly book

Enjoyed these stories while on the road. Not too long to get boring, but enough to keep the listener interested.
