For this to be the author first book she did a really good job. The story was fast past as far as the time line goes, it was like the next days event before you knew it. For King to be such a hustler his character triathlon come off as a cry baby. He does more whining about getting back with his ex than she does. He actually got on my nerves because he didn't respect her space. He held her at

fault for everything. Noni's character went through a lot, I feel like her character could have had more time to heal and get her back on track. At that point I think the connection would have been better. Trina actually stuck out more in the story, she was very up front about herself and feeling. Granted she didn't have her hang up. I like Duke, he a no non sense type of guy, but he knows when to accept love is better. The story has a lot of potential, some of the descriptions could have been smoother, but it's a work in progress. As far as the ending goes, for me I think it gave away too much. All in all it kept my attention, I would definitely read part 2. Beside I need to know what happens to tweedle dumb and tweedle let dumber.

This book was great and I hope Shonni is OK! I hate Evelyn evil behind and she gotta go! Farrah was super petty too! Character and plot development was good and there was plenty of drama!

OMG I loved this I fell in love with my future zaddy Nike. I can't wait for book 2, great job.

I couldn't stop reading this book and the cliffhanger has my impatiently waiting for part 2!!! Can't wait to see what happens next

Great book with this one, next will be even better!

This book just flowed. I mean all the characters are well developed it a great story. The writers style just draws you in to the characters lives . Nike and noni was playing games. Noni holding back on information from nike cause alot of unnecessary pain and suffering in her life. Nike been an ass cause her to keep the info from him. Trina and duke story was just as good as the lead characters. Great cliffhanger can't wait for part 2. Now if we can get lo a man the circle we be complete. Good job tay. kc mills is find a lot of great talent this year

Ok so why did this psycho Deshawn really think that he was going to come back and take Shonni back with him without Nike having a say so.....then on top of it all his cousin is Evelyn lawd both of them are good as dead. Farrah is childish because like why would you call Trina just so she could hear you and Duke having sex smh. I loved everything about this book and can't wait to read part 2. Taylor for this to be your first book published you did an awesome job. Great read ã Â Â^Â^

DeShawn is whole hoe for putting his hands on Noni, but when Nike said put the gun down he's ass

is going to shoot. Farrah needs to get on with her thot pocket self. Trina and Duke got to make the best decision for their family. I don't know why the life of me why Nike did torture Evelyn. I just want all the enemies to die. Can't wait for part 2. Tae you can't Noni die.
