# Londonâ€™s CafÃ©s, Coffee Shops & Tearooms

## Synopsis

The number and variety of independent cafÃ©s in London has flourished in recent years and if London never had a cafÃ© culture a few decades ago, it certainly does now! The quality and variety of food and drink on offer has also improved beyond recognition in the last few decades, with many cafÃ©s' now serving food that's indistinguishable from a quality restaurant â€“ except when it comes to the bill â€“ which is invariably much lower. In fact if you want to eat a great lunch (and increasingly dinner too) in London and don't want to pay a fortune, a cafÃ© is your best bet. Coffee sales in Britain have expanded rapidly in the last decade, along with the growing number of independent (and chain) coffee shops. Britain's love affair with the bean has gone, quite literally, from strength to strength; not so many years ago it was difficult to find a cafÃ© serving anything but insipid filter coffee, but now fresh bean-powered brews are everywhere, thanks in huge part to a legion of expat baristas and roasters from Down Under.
