I haven't been to Walt Disney world in 14 years. I was concerned because they opened up alot of places that my family has not seen. I also rented a car and I wanted to get to know the sites. So I purchased this great guide. It even comes with a map to help the family get around. I thoroughly recommend it.

Arrived timely. I love Fodor's travel guides more than any others. Particularly useful in planning a Disney Trip. Wonderful descriptions and ratings of hotels, restaurants, attractions, etc. Couldn't and wouldn't plan a trip without it.

Good resource but not a quick referenceVery wordyContains ideas for areas surrounding Disney WorldArrived in a few days

Perfect for a wedding gift - not sure why we have a required amount of words as i have nothing more to say.

I should have figured that a guide relative to 2013 would have been printed in 2012. We are heading down there in Nov 2013 and I wanted to read up on 'Be our Guest' and 'Transformers' etc. Only a

paragraph or two on these. I do understand these were not even open for public consumption when this book hit the presses so lesson learned----I won't ante up for the 2014 issue that's out as I suppose venturing onto these rides with an element of surprise is okay too.

I haven't bought a Fodor's guide book in a few years but always relied on them in the past. I bought this 2013 guide book and found it to be of limited value compared to other books. It's not very complete and doesn't have nearly enough information to be of great value for a visitor to the parks. Example: The attractions in each park are listed, but not rated. Certain ones receive a "Fodor's recommended" mark, but generally don't really say why. Take a look at the similarly priced "Unofficial Guide to Walt Disney World 2013" by Sehling and Testa instead. It has what you really need to know to make the best of your vacation time.

I bought this book prior to a trip to Orlando in December 2012, and it was worth every penny! Gives you tons of info about ALL the places you need to visit in Orlando, not just at Disney World. I was only able to go to DW for 1 day (Magic Kingdom), but will definitely use this book as a guide for a future trip!

Very helpful in the travel and activities process when we had a short timeframe to plan vacation. Utilized fast track and express pass to the fullest in moving through the lines.
