Customer Reviews

Somewhat disappointing. Daughter is proud to have it. But we cannot find the recipe that fits the cover photograph. And I am very disappointed in the ingredients... The author repeatedly promotes healthy eating but the recipes are not healthy - even for children who need more fat than adults. And most of the fats are not healthy fats... 1/2 cup of oil, butter, lots of cheese in most recipes. I do not remember seeing olive oil, nuts, avocados, etc. Do not buy this expecting healthy recipes. But most are simple and can be done with children. There is a recipe for kale chips.

Nothing new. Typical recipes and not many. Pizza, nuggets ... dont need book for this.
Disappointed. The read was free. Totally not worth paying for the read.
