Birnbaum's Walt Disney World 1995 is the only guide for Disney World you will ever need! This book has a lot of valuable information that you won't want to miss if you ever go to Disney World! I haven't gone to Disney World in quite some time and I like to read it just for fun. I have aquired quite a lot of important information in this book. I've been to Disney World four times and I find that everything in this book is true and it is still helpful to me even after I have been there so many times. I hope you decide to buy this book because if you don't you're missing out on a great book and lots of valuable information!
