Ginger Swift is a pen name for the creative team at Cottage Door Press. We use a name like this when we work together on a story. We choose a name that stands for "red bird," which is our cheerful little mascot.

This book is so sweet. My baby loved the lift a flap book she got As a gift so we got her a couple more, this being my favorite. The illustrations are adorable and the flaps are nice and sturdy for baby hands to use.

My 15 month old son LOVES this book. We keep it in our diaperbag and it is great at keeping him busy when we are out. He loves opening the tabs. Great value.

My son loves the lift-a-flap books by Cottage Door Press. I started reading them to him soon after he was born. At about 6-7 months he started to lift-the-flaps himself. These were the first flap books

he could lift because the flaps are thicker and shaped for easy grabbing by little hands. The flaps are also thick and sturdy to withstand biting, spit, and tearing. We have read them so many times, but they surprisingly still look new. My son is now a busy 11 month old, so being able to play with the flaps keeps him engaged so I can actually read to him during this stage. Plus the stories are cute.

these flip board books are great fun, entertaining and enjoyable. Perfect book for 10 months plus. Hope this helps

given as shower presents instead of a card..love

One of my two year old niece's favorites!
