## Customer Reviews

This book package talked about well on how FBA and shopify fills in as an e-commerce. Where FBA concentrated is more on coordinations side and shopify covers the items perceivability online to offering and dispatching of the items. Author has portrayed each and every thing plainly with some legitimate explanations. Such a phenomenal book. Highly suggested.

This book is helpful especially for those who want a better understanding on FBA and shopify to make their online business more profitable and sustainable. It is full of great insights and practical ways in how to take advantage of the expertise, services and logistics of no less than itself! So roll up your sleeves and conquer your spot in the online world!

This book bundle discussed well on how FBA and shopify works as an e-commerce. Where FBAs focused is more on logistics side and shopify covers the products visibility online to selling and shipping of the products. The whole discussion helped with my plan to do e-commerce in the near

future, so it's a good resource. Helpful.

Is it a solution ?No.It's the way of earning extra penny in your pocket.Everything related to online income, such as FBA and Shopify are described here to show me the procedures of generating extra income. I just need a BEGINNING.If you feel interest, grab this set and feel free to start extra incoming.No way to be looser.Ã Â Â^Â±

As a beginner and want to learn how to earn money through , this book is a great guide that will help me make my way to success (hopefully), it teaches so much about FBA and Shopify, from suppliers, customers and many strategies. Would recommend this book 100%!

IÃ¢Â™m super tired of my 9-5 job, so I am constantly looking for some options for passive income. I kind of knew there are opportunities on , but I didnÃ¢Â™t know where to start. From this book I learned some useful stuff about inventory management and product listening. Good start.

I was looking for a quick and concise overview of these platforms and was very pleased to find it! All bases were covered here. This is a great place to get started, if not at least to inspire you to further research now knowing all of the basics. Good read.

I am now launching my first product on and I have to say that it's not easy without any help. So I decided to try this book. Book contains lot of nice tips and information. If you want to start your journey with FBA this is a must read!
