The Berenstain Bears And The Biggest Brag (Berenstain Bears/Living Lights)

Synopsis

Brother and Sister Bear both like to be the best—â the best soccer player, the best student, the best artist. But when Gramps overhears the cubs bickering about who can see the most unusual cloud formations he puts a stop to the arguing. Being proud of a special talent from God is one thing, but bragging about it is foolish.

Stan and Jan Berenstain introduced the first Berenstain Bears books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005 and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

I am so happy that these Berenstain Bears book with a message are part of the Accelerated Reader program. They are great books with a message for my young advanced readers.

Good book for kids.

Thanks

Brother Bear and Sister Bear have a serious problem with bragging and boasting. Throughout the book they are constantly trying to top each other. The book shows accomplishments. Finally their grandpa shows them how silly they are being and what the Bible says about bragging and boasting. I have always loved the Berenstain Bear books, so I was excited to receive this one for my daughter. It definitely held her attention, and I think the author did a wonderful job at conveying the principle of bragging and boasting and how it is wrong. He quotes different verses throughout the book showing that the Bible says that bragging and boasting is wrong. I believe it is important for children to learn early these principles, and this book is a great way to teach them this simple principle. I highly recommend this book for every parent to read to their children. I received this book free from the publisher through the BookLook Bloggers book review bloggers program. I was not required to write a positive review. The opinions I have expressed are my own.
