WARNING The color is much darker on the site. The actual product is closer to pink. Love this Moleskin planner and this is my 3rd year purchasing one; however I would've purchased a different color if I knew how much "BERRY ROSE" meant PINK.

This planner is a bit plain and not exactly the nicest but if you want something durable and reliable, this is your best bet.

Longtime Moleskin hardcover user. The description on this planner says berry color. It really is red. But a pretty red.
