Good book

This book, was a real good selection I am happy I bought it used, and saved a lot of money besides.

Highly recommend for any counselor to add as a point of reference.

Arrived timely and as described.

Dr. Jay E. Adams is a genius at making his books simple to understand, but still very interesting to read and adapt to one's own life. I recommend this book to all Christian Counselors.

Excellent and what I wanted for my class.

OK

I bought this as a textbook for a course I was taking, but will now add it to my library. It gives practical examples which can be used for future counseling situations. Ideal for pastors, Christian

counselors, and Christian educators.
