All About Techniques In Pastel (All About Techniques Art Series)

Synopsis

The newest addition to Barron's "All About Techniques" art series explains the fundamentals of art theory, then proceeds to step-by-step instruction on how to create complete, highly finished illustrations with pastels. Techniques of color blending and varying textures that are specific to pastels are shown in detail. Clear, instructive text is supplemented with a wealth of full-color photos that show materials, papers, and how to use them. More color illustrations show pastel compositions in progressive stages of completion.

Good on basic but would need a more advanced book soon. Was very good on technique for doing skies.

Beginner in pastels and this book is fabulous. Great for anyone looking to find out more about pastels. If you are looking for a book about pastels that also talks about how to create art that is well balanced and has you understand colour, composition and technique I would also purchase Pastel Pointers: Top 100 Secrets for Beautiful Paintings And if you are into animals, get this book also and you will be set for a very long time, the rest is up to you to learn how to work with pastels. Painting Animals That Touch the Heart And the first pastels to buy that are not that expensive to learn with

is: Faber-Castell 72 Soft Pastel then graduate to Rembrandt's and you may just stick with them for the rest of your art life with pastels. Rembrandt Soft Pastels: Starter Set, 15 Half Pastels

This book is Wonderful! It has so much useful information that I haven't seen in any of my other books to date! Made me want to pick up my pastels and get to work!

This is a very good beginner book for anyone interested in learning how to apply pastel. I liked the techniques of over layering. Also color blending.

This is a great book for beginner and the more advanced as well. Its well laid out, the techniques shown are well written and illustrated. The subject of pastel painting interests me and this book has a great section on that. Highly recommend this book for anyone interested in pastels.

This is a great book for a young beginner, very thorough overview of the medium.

Really comprehensive book on pastels. Great for beginners!

Very Useful for a beginner. The book provides the basic elements of working with pastels. It also shows you what materials you need and do's and don'ts
