This was a wonderful book and a great story. I love the Keepsake Stories also and I have a great

collection of them. The pictures are wonderful and it is an easy to understand book for my grandkids. They are not long books to read and the price is right. I hope to see more book in the Keepsake Story line.

I bought this book for my three-year-old daughter who loves bedtime stories. I like to read to her Spanish books so she can learn a second language. She is able to understand the story and answer all my questions. The book has big colorful images and is very easy to read. I highly recommend this book.

Love this book, for my Soanish-speaking parents. They can participate in school by reading in Spanish to their kids.

Not the kid's story I expected. It is closer to a Grimm story than the happy Disney version. We ended up giving the book away.

baby love it

I had no idea this was bilingual. I did not like that, plus this adaptation of the story was not the best....a bit dull . I would not have bought this had I flipped through it before

Did not want bilingual book . But the cost of returning the book was more than the cost of book. That is ridiculous.would have preferred another fairy tale for my grandchildren.
