Customer Reviews

"[One of] the two most helpful books on biblical authority. . . . an excellent series of Reformed essays." --Joel R. Beeke "This fine symposium . . . stands for the high Protestant doctrine of Scripture and gives valuable material on such related themes as expository preaching." --W. J. Grier "This book [has] rendered great service in helping and strengthening the faith of true evangelical people. . . . [I] urge all who are anxious to stand steadfastly against the alarming drift even among evangelicals to read it and study it with diligence. It will inform their minds, warm their hearts, and strengthen their resolution." --D. Martyn Lloyd-Jones
