Customer Reviews

I highly recommend this cheat sheet to any paralegal or Attorney. It is a very clear, precise, and convenient three part, plastic laminated folder. This quick reference aid helps the novice articulate clearly in Spanish how to ask vital questions in the area of Civil, Administrative, and Criminal Law. It will definitely ease a client's thought when confronted with what they may perceive as an unfriendly environment. The average English speaking citizen does not know legal procedures or certain protocols of various Laws or court systems. Imagine what it is for non-English speaking clients. This folder helps the Law Office Worker to guide one who is not English speaking comprehend what most do not regarding the Law and the Legal office visit. I highly recommend this Quickstudy guide and the seller.
