## Customer Reviews

Wonderful start to the series. Looking forward to v seeing what is in store for the 79 minus 1 lol read it and see.

I LOVED IT AND CANNOT WAIT TO READ ALL THE COMPANION pieces!

great set up for the series - a good bedtime read like a snack

Different approach to this subject.

Need to read this before any of the others. Interesting fantasy.

A very interesting take on Culloden Moor, makes you think of the life after.

This little book was intriguing, and left me wanting more. Well written and the characters (ghosts) were likable. It was sad to consider their deaths, but I was delighted to think they would have one more short chance at life.

This had me hooked on the first 5 minutes. I'm looking forward to reading the next book. I can't wait to see what happens next.
