This is a great guide to travel Singapore. It will save you time and money in a stress-free way. It will help you to enjoy the best days of your life! This travel guide is your entry ticket to the most accurate advice on what are the best things to do, the first moment you will arrive in the airport and until the moment you leave this amazing country.

Honestly I was a little disappointed! I am going to Singapore for 3 weeks and Chiang Mai Thailand for 2 weeks this upcoming June and July for a studyabroad/internship from Johnson & Wales University so I purchased both of these travel guides (Singapore & Chiang Mai). They're about 40 pages each with extremely large print and only highlight the basic top 10 major tourist attractions for

each place. Realistically I was looking for something a little more in depth that highlighted cultural gems or off the beaten path things to see. Both of these books provided nothing more than typing in top ten places to see in Singapore or Chiang Mai and clicking on the 100 links that pop up. Sorry but i'll just have to search for another travel guide in the upcoming months. I also purchased a travel guide from lonely planet and it's an 800 page reference guide which highlights everything one could possibly do in Thailand; this is more of what I was looking for not just a brochure, pretty much, which I could've probably got at the airport.
