Customer Reviews

Great paintings to look at and study. I love to draw and paint so I appreciate great works of art when I see them, and these are some really great paintings. Thank you and I hope you enjoy them

I enjoy paintings from this era but don't want to or can't afford them, so ebooks are a perfect way for me to pursue my passion. The good quality resolution makes me happy. Thank you, Jacklyn

The artwork is gorgeous and done in a way that is sensual and erotic without be pornographic. I am jealous of the models and wish I were one of the models to have had such great art done of them. It is appreciated.

These are classic examples of what art can be. A lovely representation of the art of the turn of the

last century.

Lovely idealized paintings of women in neoclassic settings, brings to mind fox hunting and stately country homes in the British countryside.
