Customer Reviews

Bought 2 of these to give out to our 2 grandsons that had began their walk with Jesus as young preteens.

My son requested this version specifically after seeing one at church and spends hours reading it. The life applications bring the Scriptures to life for teens looking for answers in a world increasingly hostile to Christian living. I highly recommend it for anyone looking for a Bible that will speak to their teenager.

Wonderful bible for anyone. Layman's terms. I bought it for me. A 44 year old woman

This bible is written so teenagers can understand better and find how it applies to their lives today!

My son loves this bible!

Just what I wanted for my daughter

I just received my "Teen Life Application Study Bible" today before the estimated delivery date! I actually ordered this compact Bible for my 17 year old daughter. I began reading it for myself to see what features it had. I Love it! I highly recommend this Bible for every teen you know as a gift or just because.

Great Bible. Would recommend it to friends and family who have teens 12-16 yrs old.

My kids love this Bible.
