U.S. Government, Grades 5 - 8 (The 100+ Series)

Synopsis

A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! The engaging activities found in U.S. Government have been updated to include Barack Obama and help your students to better understand the government under which they live. The first section focuses on understanding and examining the Constitution and the Amendments. The book also includes 4 cards (0.5" x 4.5" each) which highlight each president that students are able to use in a variety of ways to learn more about our presidents.

Age Range: 10 - 13 years

Grade Level: 5 - 8

Customer Reviews

I am really disappointed in this workbook. My fifth grade son used it for a couple of weeks, but the worksheets ask questions about material that is never presented in the book. It may be a good supplement for someone who is already studying U.S. Government, but it is definitely not a good teaching book. I have replaced this book with a World Geography workbook that presents the material before asking questions.

Great material for Government!!! Used for our co-op homeschooling class!!!

Great buy I'm very satisfied with my purchase

I am a middle school social studies teacher. This year our evaluations depend on student scores on the Civics end of the year course. I bought this book to supplement the course and give for homework assignments. I was disappointed. Firstly, the book is very flimsy...dollar store quality paper. Secondly, the illustrations are pretty lame, just stars and stripes, no cartoons or pictures to reinforce the concepts. Lastly, there is hardly any information to break down the difficult concepts of government (which is why I bought the book, just charts to fill/ venn diagrams/ matching type stuff, I could have done that on my own. Do. not. recommend.
