Wasn't the same book as pictured but it was a Christmas gift for my boyfriend so I can't send it back.

Really gives the history of Harleys. Good buy

This was a great find. The red cover is a newer copyright of the gray cover. I bought both not knowing if there is a difference. If you are a Harley nut....these books are great. I am glad I have a used copy of each, even though they are very similar.

Awesome!

Needless to say the nephew loved it even more than the wife did. I was as impressed with it as my wife
