Customer Reviews

Kelley Puckett has been writing comics for far too long, by general consensus. He has worked on such series as BATMAN ADVENTURES, BATGIRL and KINETIC and SUPERGIRL for DC Comics.

These are decent comic books (not great, but not bad by any means) but if you're a fan of the original cartoon this is a great fix of what would have been solid episodes.

really good

Just like the show, these just got better and better as they produced more...

This classic story was on my must-read list as a Batman fan for years. It was just hard to find at the time. Thank goodness for ! If you are a fan of Batman: The Animated Series and its related spin-offs, I think you will enjoy this book.
