Chicken Coops: DIY Chicken Coop Plans Guide: An Essential Step-By-Step Guide For Beginners (DIY, Beginners, Gardening, Woodwork, Backyard, Projects)

Synopsis

Learn how to build your own chicken coop using these step-by-step plans today! This book contains proven steps and strategies on how to create a beautiful chicken coop for your new or existing flock of chickens with step-by-step instructions. There are many different things you should know about building a chicken coop before you build one. For example, ventilation is highly important to your chickens because without it, they can become very ill. There's more information about that in this book, as well as a lot more excellent tips that will help you build a coop that's suitable for your needs and the needs of your chickens. If you want to start building your very own chicken coop, you need this book! Here Is A Preview Of What You'll Learn... The requirements for a proper chicken coop. Small plans for those who live in the city or close to neighbors. Portable plans for those who need to move chickens around safely. And a large plan for those who want to start out with a larger flock. And much, much more! Download your copy today! Take action now and download this book!

Customer Reviews

I enjoys the book a great deal. From experience you need to read as may books as possible before you plan your first coop. It will help you to not make to many mistakes. You will end up with a coop that your chickens and you will enjoy.

I highly recommend this all in one book. Contains everything needed with little guessing. If you have any basic carpentry skills , this book is for you.

I chose the 5 star's because I thought it deserved it. Easy to understand & a lot of ideas. You'll like it.

Downloaded it, need to read it

Quick and informative

I can't say there is a ton of information in this book. Just okay.....

If you are looking for buildable plans, this book isn't for you.

If you're in need of the perfect chicken coop, then this is the book for you! My previous coop just couldn't withstand the outdoors, but with the tips from this book its now better than ever! My chickens could not be happier or in a better coop! Its a must buy!
