Customer Reviews

Easy read. Kind of a twist but a few twists and turns to keep you thinking. Hope to finish it.

Ok stories but they were all very short.. maybe I missed in the description that they were novellas. The last story didn't even finish out the storyline, it was just a prequel and the beginning of a first chapter....

Hooray another great anthology by Suzette Williams. The story "I'll Be Watching You" by E.E.Kennedy is especially gripping. In the true Kennedy style, Ellen keeps you on the edge of your seat trying to figure out the -- who done it. She weaves a web of clues but also inserts enough distraction that you don't figure out till the very end the outcome. Ellen captures your heart on the very first page. Her melodic use of words find you spellbound. Ellen has a way of introducing you to her characters that makes you feel a personal relationship with them. Great suspense and real page turner. Don't miss this one!

I read Susette Williams,' Maid For Cleaning: Deadly Confessional'. This is the 2nd book in the series. Her character , Bailey, gets so caught up in running the business she inherited from her grandpa that she innocently finds herself surrounded by murder all the while she is cleaning the scene and devouring the police detectives with valuable clues. Of course, this makes her a prime suspect. Seems, the more she tries to prove her innocence, the guiltier she looks. Bailey vowed to go back to church and get her life in order after her last experience . She figures that cleaning a church would be easy work, I mean, how hard could it be...and then she finds a puddle of blood....

KEEP ME IN SUSPENSE a collection of mysteries by 6 authors we are familiar with, and thier stories here don't let their readers down. 1. Stubbornness of two people to work together to solve. 2 .Beware of gifts tied with a little bow.3. Things heat up with an old flame an FBI agent.4. Murder was a drastic wake up call for him to save marriage and career5. Knowing she was his next victim. 6. This wasn't in the job description of Maid For You.They are all good, all will be enjoyed by readers.given ARC for my voluntary review and my honest opinion.

Alexa Verde book is amazing. River and Jacobs story is truly remarkable. Watching these two try to find the Smiling Killer will have you on the edge of your seat waiting to see what happens next. You won't be able to stop reading this book. I had the honor to review this book for the author for a honest review. The review is my honest reaction to this book. I would give this book a higher rating than a five star review if I could. You will feel God working throughout this whole story.

Great collection here! I especially loved E.E.Kennedys piece "I'll be watching you." She gives great character descriptions, great scene specifics, great emotion and facial cues throughout the story. I also loved how she used the main characters spiritual journey throughout each phase, it was so true to how God uses His word and others in our lives to get us through tough times. Her story here was an encouragement to me on a spiritual level, as well a quality, interesting mystery to read! Can't ask for more than that from one book!

What a terrific collection of suspense novellas. Each selection is well written with a good plot and well developed characters. I recommend this to fans of good clean suspense.
