# Katie Goes From El Salvador To Costa Rica

## Synopsis

Take another trip with Katie. This time she's off to Central America, from El Salvador through Honduras and Nicaragua to Costa Rica by bus. If you have read one of her other books you will know that her trips and her comments are original and thought-provoking. This trip goes from the most dangerous city in the world to the quiet habitat of the lazy sloth. Along the way she tells you what's good, what's bad and what's downright crazy. It's never dull and if you are thinking of doing this trip you'll pick up lots of useful tips. Most of all it's fun so why not come along?
