Say It Until You See It: Walking Out Faith Principles

Synopsis

Get ready to receive faith principles that will help you to achieve the impossible. Through a practical approach, you will discover faith principles that, when applied, shall produce the once unimaginable in your life. This book is a must-read for those who hunger for God and want to learn how to discipline their minds to trade their thoughts for God's thoughts and their ways for God's ways. It is my prayer that you will be supernaturally infused and launched into the deeper places of God in order to grab hold to the treasures buried in His will for your life. By the Word of your faith, your understanding will be increased as I will share the very principles that have been examined and exercised and changed my lifestyle and way of thinking. My daily faith confession is, "I see what I say because I say what I see; I say what I see because I see what I say." Through the pages of this book, you may imitate my faith in God's Word and begin to see results in your life based on the things you see and say. Prepare to learn principles on how to use your mouth to release faith words that will bring your vision to reality. Get ready to live in DIMENSIONS of the SUPERNATURAL as you apply faith principles.

Book Information
