The Pickwick Papers (Naxos Complete Classics)

Synopsis

The Pickwick Papers, Dickens's first novel, is a delightful romp through the pre-Reform Bill England of 1827. Samuel Pickwick and the rest of the Pickwickians are some of the most memorable of all Dickens's creations, and it is a joy to hear of their adventures in search of 'interesting scenes and characters', and the repeated efforts of the quick-witted Sam Weller to rescue them all from disaster.

Customer Reviews

Superbly performed by BBC Radio Drama veteran David Timson, The Pickwick Papers is an unabridged audiobook adaptation of Charles Dickens's debut novel, now justly recognized as a classic. Set in England shortly before the advent of the railroad, The Pickwick Papers follows the upper-class Mr Pickwick and his caustically comedic cockney servant Sam Weller, as they travel the nation in search of adventure and learning. From comic moments such as the Eatanswill election and the trial of Mrs Bardell vs. Pickwick to the stark atrocity that was debtors prison, The Pickwick Papers is a superb rendition of Dickens's grand and thoroughly engaging adventure. The Pickwick Papers is worthy of the highest recommendation for public library audiobook collections, and as a special gift for audiobook lovers who especially enjoy great literary treasures. - --Library Bookwatch, Midwest Book Review

With true artistry, narrator David Timson brings to life the misadventures of the Pickwick Club. In Dickens's first novel, Samuel Pickwick (founder and president of the eponymous club) and three Pickwickians travel outside the comforts of London to document life in

the English countryside. What follows is a succession of incidents filled with eccentric characters and social commentary. Clocking in around 32 hours, this audio edition would be an arduous task for any narrator, but Timson embraces this intimidating assignment with admirable aplomb. Whatever the scenario presented in prose, he matches the tone and keeps the story moving at a steady clip. He perfectly captures the author's many characters, providing spot-on vocal characterization for each one. This is an outstanding listen for both fans of Dickens and those new to his work. --Publishers Weekly - June 2012

It is a lot of money, but it's also a lot of wonderfully funny stories, brilliantly read, about four trouble-prone Victorian gents pontificating, spooning, wining, dining, trundling about in stage coaches and meeting characters only Dickens could imagine and bring to vivid life. "'Don't be long,' said the spinster aunt affectionately. 'Long? Away? From you? Cruel charmer,' and Mr Jingles skipped playfully up to the spinster aunt and imprinted a chaste kiss on her lips and danced out of the room. 'Dear man,' said the spinster as the door closed after him. 'Rum old girl,' said Mr Jingles as he walked down the passage." To get a marriage licence and take all her money, of course. --Sue Arnold, The Guardian

Timson's irrepressible performance of this rollicking romp through 1830s England in Dickens's first novel invites listeners along as Pickwick and his crew ramble through the countryside. With broad satire and clever irony, Timson proves a delightful guide through slapdash adventures and a host of eccentric characters. --The Reference and User Services Association, a division of the American Library Association

This book is in Electronic Paperback Format. If you view this book on any of the computer systems below, it will look like a book. Simple to run, no program to install. Just put the CD in your CDROM drive and start reading. The simple easy to use interface is child tested at pre-school levels. Windows 3.11, Windows/95, Windows/98, OS/2 and MacIntosh and Linux with Windows Emulation. Includes Quiet Vision's Dynamic Index. the ability to build a index for any set of characters or words. --This text refers to the Kindle Edition edition.

While writing this I am also organizing the markings file of my first Kindle book Don Quijote, which I have perused several times. The Pickwick papers only this first time, although having been conscious of its existence forever, at least 50 years. I thought that it is just a small heap of papers to be quickly eyed through. Even starting I was not aware of its extent. But it just went on and on. Only afterwards I found out that as paper book it is in some edition 660 pages and in another even 800, that is about a half of Don Quijote. And not an only dull sentence or dead end, just like DQ! Many times I continued still another chapter beyond what I had intended. I finished it in three weeks, that

is good 30-40 pages a day, which is about double of its due quota, considering that I usually read two or three books parallelly. But what about the connection between DQ and Pickwick? Is there any above the fact that they both are huge blocs of foremost world literature? I have the itching that yes, but cannot show clear instances. Of course both main persons are in some way foolish idealists, big free minds, which we all wish we could be. A great deal of both stories takes place in travelling, but by different means and in different signs: DQ on his miserable Rosinante and Pickwick on various horse buggies, one of which is called gig and described as - in fact not described closer than that it was on several occasions 'clay colored and red wheeled', but how many wheels? no mention. Never heard before of this vehicle. Wikipedia gives a host of gigs, and mentions the vehicle as two wheeled and horse drawn. In general, I am very pleased with my invention of collecting dictionary lookups to a vocabulary file. This is one of the finest features of Kindle, although left half way in performance. You get the dictionary definition in an instant, but after closing it vanishes into thin air. Luckily there are screen grabbers with which you can save both the word and its definition. Although so different of the present mode of life, still particularly different of the social surrounding of our life in Finland, where no Mr. and no Sir exist, not even difference between he and she in the mode of linguistic usage, without any hesitation: five bright stars to Mr. Pickwick by the great Charles Dickens!

This was the worst Charles Dickens book I've ever read. And I've read most of them. The characters were not fully developed. The ending was predictable. It did have some redeeming qualities, so 3 stars. Also, this e-book had type-o's. I actually skipped through parts at the end, getting bored, to read what happened to my favorite characters, which was pretty much what I expected would be the outcome. I know to expect a happy ending, which I'm actually glad for and wait in anticipation for. However, while the end was not completely happy, it was not completely satisfying in the happy parts. It felt like when you watch a movie based on real life and at the end they say "So and went on to do this..." It just doesn't always satisfy your craving to be swept away in the story. --I wasn't moved, like I usually am.

I would give six stars if I could, but I have been a Dickens fan all my life. This was one book I had not read yet. So interesting, full of the social criticism Dickens is famous for, as well as displaying that wonderful and often very moving prose style. The Whispersync narration was masterful. Could not have been better, whoever that was I would love to congratulate him.

I must have watched too many horror movies. When I saw the title of this book, I was sure someone would walk into a dark corner of the shop and get eaten. Or maybe someone would get a steak in the heart. Unfortunately it is one of the first road trips. Little Nell Trent and her grandfather travel the country meeting interesting characters such as Punch (of Punch and Judy fame.) I had to stop reading and look up the history of Punch. The reason it feels like it goes on forever is because it was printed as a serial which lasted from 1840 to 1841. Meanwhile back at the ranch the evil looking dwarf, Daniel Quilp cheats at cards with his cabal. And we all know the only thing worse than cheating at cards is kicking the dog. I am still trying to find out what the message of the book is. No one can write that much without having some sort of message. My guess is that people read this stuff for the *Genius loci*. There are not that many cliff hangers. Charles Dickens' writing style is not as smooth and to the point as Jane Austen, however it is not packed full of gobbledygook as is Wilkie Collins'. I have a well bound hard copy. However I enjoyed listening to the kindle whisper sync version from audible read narrated by Anton Lesser. I know how it ends. You will just have to read and find out.

Wonderful read, full of love and moral lessons. Every once in a while, I just need another Dickens fix, and this book didn't disappoint. If you're one of those people who was forced at gunpoint in school to read *A Tale of Two Cities*, please give Dickens another chance. You owe it to yourself. If more people read Dickens, the world would be a much better place.

I have a list of 'indispensables'. and this is on it. The story does have a plot line running through it, but it is also like a news digest. There are bits and pieces that are well worth following for their own sake....and of course Dickens' delicious prose is enjoyable. His description of a man at a military review chasing his hat that has been blown off by the wind. The obligatory ghost story where the young man says (shakily) to the ghost "You know, I don't understand why you ghosts persist in staying where you were so miserable! Why not go somewhere pleasant?" And the ghost saying "I never thought of that! I am much obliged!" and vanishing, with the young man calling after it, "You would make us all very grateful if you would spread the word." It also contains, toward the end, one of the most moving tales of retribution, mercy and kindness, with a speech by Mr. Pickwick's barrister on the subject of mercy. A fun, touching, sometimes uproarious book.
