Amazing book with so much historical detail about the venerable fashion house.

the pictures are amazing, great book for yourself or for a gift!

Great coffee table book, beautiful pictures and laid out very well. Gives detailed history of the designer brand. I have purchased several and given as gifts....Love it!!!

Incredibly made book with so many surprises inside.

This book is true Gucci quality. Shows photos of their famous styles over the years, many many years. Big and heavy book for a great price. I saw it at a book store and then checked .com. I had to buy it on because it was 50% lower. You will love this book if you like Gucci quality. Also, inspiring young fashion designers would love it. I also bought the Chanel book and it is awesome also, not as big as Gucci but same inspiration.

An excellent book on the making of Gucci with elaborate pictures and up to date info. A section on Tom Ford has also been included. A must have for any luxury and fashion books collection.

Love!
