Customer Reviews

A lot of statistical information, and a lot of game data you can use. Not a lot of background and story ideas though (only 1-3 short descriptive paragraph hooks for adventures). Its a decent supplement.

Awesome product !

Covering many of the popular settings this is a good supplement for Call of Cthulhu RPG fans. It is mostly mechanics with some seed ideas. I especially liked the shield rules for Cthulhu Dark Ages. Good coverage for those moving to 7th edition.
