Priscilla ShirerÂ is a homemade cinnamon-roll baker, Bible teacher, and bestselling author who didnâ™t know her booksÂ (The Resolution For WomenÂ andÂ Fervent)Â were onÂ TheÂ New York TimesÂ Bestseller list until somebody else told her. Because who has time to check such things while raising three rapidly growing sons?Â When she and Jerry, her husband of sixteen years, are not busy leadingÂ Going Beyond Ministries,Â theyÂ spend most of their time cleaning up after and trying to satisfy the appetites of these guys. And that is what first drove PriscillaÂ to dream up this fictionalÂ story about the very un-fictionalÂ topic of spiritual warfareÂ "toÂ help raise up a new generation of Prince Warriors under her roof.Â And under yours.Â Gina DetwilerÂ was planning

to be a teacher but switched to writing so she wouldn't have to get up so early in the morning. She's written a couple of books in various genres (Avalon and Hammer of God, under the name Gina Miani) and dramas published by Lillenas and DramaMinistry, but she prefers writing (and reading) books for young people. She lives in Buffalo, New York, where it snows a lot, with her husband and three beautiful daughters. She is honored and grateful to be able to work with Priscilla on The Prince Warriors.

I have a 10 yr old daughter who could not put this book down. She finished it in between her school studies in about a week. She loaned it to a family of 6 children. And the 12 yr old boy finished it in a day because he liked it so much! Now the rest of the children are reading it also..

I first became familiar with Priscilla Shirer at church through one of her bible studies, but quickly realized she was also a part of the movie The War Room, which I loved. I have done several of her bible studies since. I heard an advertisement on a Christian podcast I listen to for her books for young boys (I'm sure girls will love them, too). I knew they'd be perfect for my bookworms because she's a mom of 3 boys and I have 2. I was right! I purchased the first 2 of the books for Christmas and then the 3rd book as soon as it came out. My oldest loves the books and soon my youngest one will too! The best part, the first book in the series is in the Accelerated Reader system and we're looking forward to the other 2 to be in the system as well.

I read through this book in like 3 days. It is awesome and I love the meaning in the book for my grandson who is thinking about going to Church. Side Note: I read all the books that I give to my kids at Church and/or my grandchildren just to make sure...I don't want to give the younger ones anything scary or not appropriate.

My 8-year-old son LOVES this series. He does live to read anyways, but once he gets started on these books, he can't put them down. He has even read the first 2 books in the series twice. He's getting the third book for Easter. I am actually reading the first one right now. I've read that it ultimately references the armor of God so I'm reading it so I can open up the conversation with my son about this.

My 8 year old granddaughter couldn't put this book down! She LOVED it and wishes there were more than three books in the series.

Lots of action and tension! This beautiful allegory vividly describes the challenges of guarding your thoughts and making wise choices. I'm ready for the next book!! Wow!

This book inspires me to think about how I can be more courageous against daily temptations. My adult son and I love reading it together. I recommend it to all the prince and princesses of God's kingdom of any age.

Awesome storyline! So intriguing it keeps my 12 yr old son and 10yr old daughter captivated. They didn't want to put the book down it was that good. They read through all 3 books of the series and then asked if there was more.
