## **Customer Reviews**

I love these arrangements by Chip Davis, although they are a little "thin" in some places. If you have heard these arrangements -- and who hasn't! -- you may want to improvise and fill them out a little.

This book has all the songs I wanted and more! The songs are beautiful and just what I want for Christmas.

We love Mannheim Steamroller Christmas. Needed a 2nd copy of the piano solo music. Glad to find it at a better price.
