Felicia (Fabulous Book 1)

Synopsis

Her lip trembled, her emotions flooding out, and Felicia pulled back the sob that tried to escape. "You're going to make me love you," she said. That time she felt him smile. She couldn't see his face, of course, but knew it was there, knew she'd fallen into the place he wanted her to be.-----The rich daughter of a millionaire businessman, on the outside, it looks like Felicia Torrence has everything. Yet, behind the mansion walls, her fragile world is built on a stack of lies, growing larger every day. Her escape is a job at the local children's arcade. Here, she can forget her troubles for a while and watch kids be happy. No one around her needs to be any the wiser. Until, a simple ride home with fellow employee, Levi Galvis, exposes him to the truth. They have nothing in common. He's smart, hard-working, and decidedly middle class. He's also stubborn, a trait that initially makes her angry, but soon proves to be her only way out. Book 1 in the Fabulous Series, a sweet, clean teenage romance, by best-selling author, SUZANNE D. WILLIAMS.

Customer Reviews

I found this to be very interesting and intriguing of how this young man who was also an employee

at the same place of work as Felicia took such interest in her and wanted to help her to get her life turned around for the good. I recommend this for Young Adults who loves to read spiritual ebooks of love and caring. Because this was so good and clean reading as well as a spiritual helps ebook I feel it needs five stars. I received this ebook for free and in return have now given it an honest review. Great work Suzanne D. By Angela

FELICIA by Suzanne D Williams. YA series "Fabulous" book 1 Levi can't take his eyes off of Felicia, she's working at the game center, not what he expected of some one of her caliber. Trouble with her car, and her dad wasn't going to come get her. Taking her home she tells the guard, he's her boyfriend, and would be there a lot. Warning bells, Levi isn't use to being ordered around. Compassion for her, and what was really going on in Felicia life. His world was secure and happy, while her's was one of turmoil. He was someone she could trust. This was a powerful book of what some young people go thru. The maturity of Levi, and what he saw and understood. Good book for all ages to read, and to see what ones actions are, can they help or hinder another person. Given ARC for my voluntary review and my honest opinion.
