Synopsis

Homemade Natural Hair Care (with Essential Oils): DIY Recipes to Promote Hair Growth, Shine & Repair

Learn how to treat your hair at home using organic treasures today! If you are sick and tired of the amount of toxins we are all bombarded with in commercial hair care products, which are loaded with damaging chemicals and harsh ingredients, then look no further. This book will be your ultimate guide to improving and restoring your hair's overall health, condition, growth and appearance. This book will provide you with the basic steps and ingredients that will enable you to prepare your hair care products at home, including shampoo, conditioner and deeply moisturizing hair masks. It will also help you discover a few simple steps for the most effective, nourishing and aromatic ingredient combinations in order to combat hair loss and promote growth, shine and repair. Using essential oils in your hair care recipes will evoke an enticing feast for your senses as well as add many nutritive benefits for effective hair repair. By discovering how certain ingredients contribute to the health of your hair, you will learn to tailor each recipe to treat your hair with the most nourishing formula that is most suited to your hair type, whilst indulging your senses in a deeply fulfilling mind and body experience.

Customer Reviews

Lots of good information.

Once again Carmen Reeves gives us useful and beneficial information. I like the recipes in this book and have used quite a few. They are easy to follow and I like that my daughter and I can both make them together. Thanks again Carmen!!

Very informative.

Love the recipes in this book.

Really good basic information on how to make and create your own hair products that you WISH were in stores!

Good info. Easy to read. Clear. Well presented. Useful.

Fun trying new products that are safe

Looking forward to making my own shampoo. At least I will know what is in it and it won't have any dangerous chemicals in it.
