Customer Reviews

I bought this for a guinea-pig owning coworker, and read it myself. It is just adorable, full of cute pictures and pithy sentences. After reading it, I was tempted to get a guinea pig myself, which is about the highest praise one can give a pet book.

This book is perfect for writer's workshop! It can be used as a unique mentor text for information writing. It models for children some fun and interesting ways to write informative texts!!! Lots of fun!

Yes, but those who are owned by guinea pigs DO and this book is a MUST MUST MUST. It's not just a cute picture book about cute animals and the things they can or can't do, it's a mantra, a stress releiver and a guarenteed giggle for anyone with a piggie (cavy) guiding their lives. And, oh yeah, there's some practical info on cavy care, and what to expect from their piggy, too

If you're a guinea pig lover, this cute pigtue book is for you! I highly recommend it for anyone who has owned and loved these friendly lil' critters. The pics are truly adorable.

This book lets you learn 40 vowel-spellings using 145 vocabulary words.
