## Synopsis

It's a word-puzzle lover's dream team: David L. Hoyt, the most syndicated puzzle writer in the country, and Merriam-Webster, America's most trusted dictionary. Published in visually striking full color, here are over 400 inventive, entertaining, and truly challenging word games and puzzles designed to stretch the mind and even increase vocabulary. And it's in the format that users love—the travel-friendly, gift-friendly 4" x 6" chunky size. In Mixed-Up Definition, unscramble the letters to reveal the definition of a given word. In Syllabary, use the clues to link syllables in a grid to create words. In Crossword Word Connections, find the letters in common to help solve a series of four crossword puzzles. Plus Dictionary Race Winder, Make the Connection, Color Word Chains, Prism Word Finder, and other clever riffs on word searches. The book features 20 puzzle types, which are arranged in a mixed fashion throughout for maximum variety and stimulation. They range in difficulty from an easy 1 to a brain-busting 10—so puzzle lovers of all skill levels will be tested—and include spaces for recording completion times. Each puzzle type is explained in clear instructions, and all answers are printed in the back.

in American history) and dictionaries for English-language learners.

I bought this for my Dad and he loves it. I can't believe how much he loves it. It's great to exercise the mind and it's also a fun bonding activity to do with your family that is unwired and easy enough to not cause frustration. Fifty thousand stars for this little book. Would buy again. Great for people struggling with age or memory loss or for anyone just looking for old school stress relief.

Love this little puzzle book, the perfect size to put in my purse and use while waiting for a meal in a restaurant, waiting in a dentist or doctor's office and of course waiting for your car to be fixed. David L. Hoyt's puzzles are amazing and some even less difficult to finish in record time.

These puzzles are much harder than I expected them to be. If you are looking for light and fun, this might not be for you, if you are looking for challenging and fun, this is a good option.

The small size of the book makes it a bit difficult to handle and write in.

love this book haven't put it down since I got it, which he would make another book with more word puzzles in.

Great multi puzzle book.

what a cool book... good variety

Good book. A little small but my mom enjoyed it.
