Grant: A M/m BDSM Romance (Bound & Controlled Book 3)

Synopsis

Grant had found his perfect man—wrapped in silk and lace. Grant had always loved more feminine men. A sexy guy in lingerie just did it for him. But when you looked more like a bouncer than an insurance agent, the pretty guys ran for the hills. Carter seemed different, though. When he looked at Grant, he saw the real man underneath the tattoos and muscles. Could Grant make him understand that he liked Carter just the way he was, or would Carter's doubts keep them apart? Carter had found his perfect man—sweet, sexy, and built like a tank. Grant didn't seem to mind Carter's more feminine look, but was he too good to be true? One bad date after another had left Carter gun-shy. Now he had Mr. Right standing at his doorway. Did he have the courage to be himself and let Grant in, or would his fears keep them apart? Story Contains: M/m sexual content, BDSM elements, gender-fluid dressing, spanking, and orgasm denial. The Bound & Controlled series follows four brothers, who are each involved in the BDSM lifestyle in some way, as they look for love. Each book will feature a different brother, but the books are best read in order. The books are not taboo in nature. Book 1: Garrett Book 2: Brent Book 3: Grant Book 4: Bryce (September 2017)

Customer Reviews

This is the third in the Bound & Controlled series, and while it could definitely be read as a standalone, I think it would be more enjoyable read in order. In this book, we see Grant (who is a bit of a bulldozer when it comes to getting what he wants) trying to woo Carter, who isn't convinced that anyone could truly love and accept his gender-fluid self. It was really fun seeing how enthusiastic Grant was about Carter's skirts and lacy things, and how he encouraged him to be true to himself. They were SUCH a perfect fit for each other, and their sexy times were HOT HOT HOT!!! I also liked that they had a more lighthearted approach to BDSM than some of the other characters. It suited them. The family (and their constant bantering and attempts to steal food) were hilarious as always, and there were some other side characters that showed up that were a HOOT. I don't want to give it away, but they had me giggling like a crazy person. I am really, REALLY looking forward to Bryce's book! I'm also hoping that some of the side characters will get their own stories, because they caught my attention, and I want to know more!

I had been looking forward to reading Grant & Carter's story for a while now & it was definitely worth the wait. Grant wants to date Carter & Carter's history with dating hasn't been great. He really wants to believe Grant is genuine and that he really wants Carter for who he really is. I really enjoyed watching these two find their place with each other. Carter learning to trust Grant & Grant seeing what an amazing man Carter really is. They are perfect for each other. I loved Mrs Jenkins & her friends and seeing the other couples evolving their relationships was great. This one is my favourite so far. I really look forward to Bryce's book.

Carter had been one of my favorite characters in this series, and it was so fun seeing Grant set his sights on him. I can't imagine how devastated Carter had to be when his family rejected him, and the level of trust it took for him to let Grant in after all of his bad dating experiences was amazing. I can't wait to see more of Bryce's story, as well as what happens with the brothers' mom home. I'm also very curious about the potential puppy that the ladies have found and hope that we'll get to see that story too.

Another fantastic book in the Bound & Controlled series. Grant and Carter's story is quite sweet. Grant recognizes he needs to take his time with Carter because of his insecurities due to many

failed past dates. He is very patient with Carter. Throw in the meddling older ladies and this is one enjoyable book. I highly recommend reading this book and the entire series. I can't wait to read Bruce's story.

Thank you for another great story. Can't wait for Bryce's book to come out. I am hoping for a book to cover all of them after they've all come together, but hey, that's up to you! Thank you for your writing!

I think this is my favorite book in the series, so far. It is racy, sexy and a thoroughly enjoyable read. I absolutely loved Carter, and while Grant and his family made me giggle, Mrs. Wyatt and the ladies had me laughing so hard I was crying. Can't wait to read the rest of the series!

I absolutely adored this sweet, sexy, lighthearted, and snarky story. Grant is a bit pushy in a good way, and when he sees something or someone he wants, he goes for it. He's always been attracted to femme guys who like the prettier things in life, and Carter fits that to a tee. Carter LOVES soft, silky, slinky, lacy, and feminine clothes and lingerie, but, after so many rejections and bad reactions from men in his past, Carter is very reluctant to reveal his preferences to any potential dates. It's going to take Grant every bit of charm, persuasion, and skill he possesses to prove to Carter that he really wants him forever-lingerie, skirts, sundresses, and all!

Grant and Carter are a wonderful couple who prove that opposites attract. Carter embraces his feminine side but worries that his proclivities won't be accepted by a lover. Grant is built like a bouncer, big and tough, but he is completely entranced by Carter and everything about him. They are perfect together. This story is sexy and sweet and funny; and it's another great book in this truly enjoyable series. I have loved each book, and I look forward to reading Bryce's story next. Shaw Montgomery keeps giving me wonderful book boyfriends, and I always know I'm going to love them. I received an advance review copy in exchange for an honest review.
