# 101 Youth Soccer Drills : Age 7 To 11

## Synopsis

These two individual books are designed for specific age ranges; 7 to 11 and 12 to 16, and contain a wide range of progressive practice drills to help young players develop their skills. Fun, educational and challenging, all drills are illustrated and cover the essential technical skills including: warming up, dribbling and running with the ball, passing, shooting, heading, crossing, goalkeeping, and warming down. As well as easy-to-use instructions, each drill contains information on the equipment needed, the space required and how to organize the players.

The book is great. It has a lot of the drills I will use in future practices.

Nice drills. I keep this handy for reference.

OK

This book provided me with some decent ideas/drills but I have to admit I was slightly disappointed with some of the content. For the novice/Rec coach, however, there is no doubt that this book will

be useful as they have some good ideas for beginners to follow.
