# **Zimbabwe The Beautiful**

## Synopsis

Zimbabwe, with its granite mountains, balancing rocks and intricate ruins, lakes, mighty rivers and game-filled savanna plains, is explored in this book. It takes readers not only to the Victoria Falls and the Great Zimbabwe Ruins, but also to the lesser-known sights. It discusses the country's ancient culture and history, its modern cities and developments, as well as its popular game parks and nature reserves. This book is part of a series of national profiles, in which images combine with text to reveal each country in its many aspects, and to celebrate its natural and cultural riches.
