Fly-Fishing Odyssey: The Pursuit Of Great Gamefish

Synopsis

In Fly-Fishing Odyssey, Jon B. Cave has transformed his life's work into a collection that will inspire, enlighten and educate any fly-fisherman. With tales that take us from Patagonia to Yellowstone National Park, from Africa to Argentina, from home to abroad, Fly-Fishing Odyssey stirs the wanderlust in any fisherman and provides the information necessary for those willing to put wings to their dreams.

Customer Reviews

If you love fly fishing and desire to explore, you can't go wrong taking Fly-Fishing Odyssey along. -- Jean Kelly, Redbone Journal, Spring 2002
This book has a lot of solid, useful information — not to mention considerable entertainment value. -- Steve Raymond, Fly Fishing in Salt Waters, Jan/Feb 2002
This book is a unique combination of exciting fishing tales and priceless information. The appendixes alone are worth the price. -- Lefty Kreh, 2001

Jon B. Cave is a freelance writer, photographer and lecturer who has been teaching fly casting and fly tying professionally since 1975. His fly-fishing school is one of the first established in the United States and is the oldest in the South. He holds a master's degree in natural resources with special concentration in fisheries, and worked more than 15 years as a professional guide on Florida's saltwater flats. In 1998, the Federation of Fly Fishers honored him with the prestigious Silver King Award for his contributions to saltwater fly-fishing. He is only the fourth to receive this recognition. Fly-Fishing Odyssey is his first book.

Great Book and was in very good condition. I am fortunate that Jon Cave lives in the central Florida area and spoke at our Fly Fishing club recently.

Great book!

This book is very informative on all aspects of fly fishing and different locations. I hope this author writes more books on fly fishing.
