Ellen White was a woman of remarkable spiritual gifts who lived most of her life during the nineteenth century (1827-1915), yet through her writings she is still making a revolutionary impact on millions of people around the world. During her lifetime she wrote more than 5,000 periodical articles and 40 books; but today, including compilations from her 50,000 pages of manuscript, more than 100 titles are available in English. She is the most translated woman writer in the entire history

of literature, and the most translated American author of either gender. Her writings cover a broad range of subjects, including religion, education, social relationships, evangelism, prophecy, publishing, nutrition, and management. Her life-changing masterpiece on successful Christian living, *Steps to Christ*, has been published in more than 140 languages. --This text refers to the Paperback edition.

The 1945 edition shown in the picture is my favorite of the book *The Desire of Ages*. I love the older pictures and the old time layout. This book is so valuable to me personally I read it again and again. It's not superficial, it is deep, yet worded so clear and understandable that it reaches the heart, and you find yourself loving the person Jesus Christ and in touch with the reality of His existence and eternal presence. You long to know Him better, to be closer to Him. This precious book inspires personal faith in Him, and walking with Him becomes a reality. Here's a couple quotes picked out at random: At His baptism when many laid eyes on Him for the first time: "But as the people looked upon Him, they saw a face where divine compassion, was marked with humility, and expressive of unutterable love. He seemed to be surrounded by an atmosphere of spiritual influence. While His manners were gentle and unassuming, He impressed men with a sense of power that was hidden, yet could not be wholly concealed. Was this the One for whom Israel had so long waited?", p. 138. The first paragraph in the chapter, "As a Child": "The childhood and youth of Jesus were spent in a little mountain village. There was no place on earth that would not have been honored by His presence. The palaces of kings would have been privileged in receiving Him as a guest. But He passed by the homes of wealth, the courts of royalty, and the renowned seats of learning, to make His home in obscure and despised Nazareth.", p. 68. I never want to be without this book.

Portrays the love of Jesus in becoming the sacrifice for all mankind! Laying down His position in heaven & accepting the attacks of Satan and the hatred of His church, because He shared His Father's love for humanity. The book is about His love & suffering while carrying out those plans the Godhead had made before creation, in order to save us. The biblical gospels are so much more alive for me - after reading this book !!!!!

I am absolutely ecstatic at my book. It is a wonderful size and easy to hold since I have arthritis. I have read this book many times and have never found anything that comes close to comparing and explaining the life of Christ. It is a beautiful rendition and every home should have one.

Excellent book, and the price couldn't be beat. Can't recommend this inspiring book enough. We read this book with my 6th grade homeschooled daughter for Bible.

This must be the most beautiful and inspiring description of the life of Christ ever written. The author combines together the four gospels of Matthew, Mark, Luke and John into one wonderful story. The Bible comes to life in the heart and mind while reading this book. It inspires a desire to study the Bible and know Jesus. It brings out the grand principles of God's government and character as they were illustrated in the life of Jesus. It gives real-life application to Christ's words and parables. There's no other book (other than the Bible itself) that compares with it.

Wonderful! A beautiful, scripture based unfolding of God's plan to save a world lost in sin! The love of God for fallen humanity, so great, that He left the glories of heaven to live among men, then die in man's place, in order to reconcile sinners to God. To discover oneself loved and valued to such depth, takes the humbled reader, to the foot of Calvary to find peace, forgiveness, and a Faithful Friend in Jesus.

This is a classic book. It may be the best book ever written on the life of Christ. The author does not try to impress the reader with big words, however she writes like she is well acquainted with the subject matter. You will be inspired as you read about our loving Savior.

A very good book, well written on the life of Jesus. I would recommend this book to very one on the Christian journey. It tells of the great sacrifice that Jesus made for us showing just how much He loves each of us. It gives us the assurance that because of this sacrifice we are saved once we accept Him and submit our lives to Him daily. This is a five star rating.
