Clinical Pharmacology And Therapeutics For Veterinary Technicians, 4e

Synopsis

Grasp complex concepts and develop fundamental knowledge in the rapidly changing field of veterinary pharmacology with *Clinical Pharmacology and Therapeutics for Veterinary Technicians*, 4th Edition. This accessible, comprehensive text explains how drugs work so you can confidently communicate with clients about current drug therapies. Featuring up-to-date drug information and a new full-color design with added illustrations, tables, and boxes, this thorough resource covers drug uses, abuses, calculation errors, and mistakes. Covers complex principles of pharmacology in a manner appropriate for both veterinary technicians and students. Provides strong introductory content on safety, terminology, pharmacy procedures, drug handling (including the latest OSHA requirements), dosage calculations, and pharmacokinetics. Emphasizes the reasons behind drug properties, actions, and effects — not just lists of facts. Valuable clinical applications are interspersed throughout every chapter, and concepts are linked to real-life situations to help reinforce learning. Critical thinking and review questions at the end of every chapter help you test comprehension. **UPDATED and NEW!** The most up-to-date information on all drug categories and new content on several drugs. **NEW!** Full-color format with photos and line drawings helps visual learners understand concepts and enhances images — educational value. **NEW!** Myths and Misconceptions, Ask Dr. Bill, and You Need to Know boxes break up the narrative and spotlight interesting concepts to make information easier to understand. **NEW!** Evolve site with instructor resources, including PowerPoint presentations, test bank questions and answers, an image collection, the answer keys to each chapter — self-assessment questions, and drug calculation practice exercises. **NEW!** Vet Tech Threads design includes key terms, chapter outlines, and learning objectives, as well as other pedagogical features, to help you grasp key content and navigate through the chapters.

Book Information

Paperback: 480 pages

Publisher: Mosby; 4 edition (October 13, 2016)

Language: English

ISBN-10: 0323086799

ISBN-13: 978-0323086790

Product Dimensions: 0.8 x 8.2 x 10.8 inches

Shipping Weight: 1.8 pounds (View shipping rates and policies)
