What Makes this Taiwan Travel Guide Different? I read a lot of guidebooks and most of them have either too much or not enough detail. The Lazy Travellers' Guide has tried to get the right balance between detail and efficiency. You'll get concise and practical information on all of the places to visit in all of the destinations.

What This Taiwan Travel Guide Doesn't Do: You won't find descriptions of hotels, restaurants or nightlife. Hotels are easy to find online and recent reviews give you a better idea of what they're like. Taiwan is full of delicious street food, restaurants, and places to explore. Writing about all of these in Taiwan would take a hundred years. You can easily find this information online.

The Lazy Travellers' Promise: We all like getting value for money. Follow the special tips inside and you'll save more in Taiwan than you paid for this book.
