I found this book at a local Phoenix area COSTCO.....MANY of my favorite restaurants were in this book. Many of these places are small, isolated and fabulous. I have been in the Phoenix Valley for 40 years and it is always a challenge to find eating places that "tease" the senses. This book also lists James Beard Award winners...the most recent in this book was listed before it received it's award (Fry Bread House). Speaks volumes that the author knows her food. I went back to COSTCO less than 24 hours later to get a few more copies of the book for house warming gifts for new transplants to the Valley and the books were sold out. I will be ordering more via .com....it's the BEST one foodie can give to another and will save my new valley friends HOURS searching for the "hidden" food treasures of the Phoenix Valley.

We knew there was lots of good food available in Phoenix & Scottsdale, but at last we have a guide to help us find it. And find it we have! We also read about the Scottsdale Farmer's Market and had a great time there. It's the perfect guide to help you find some of the great food in the area.

Great book though I've encountered several entries that are closed and/or outdated. I suppose there is high turnover in the food industry so that's inevitable. Overall, it was a great resource.

this was a gift and the recipient found it very useful.He and his wife just moved to Phoenix and are foodies.
