Customer Reviews

The book was okay, but it needs an editor, not just for content and paring it down, but for typos, wrong word usage, grammar errors, etc. The story is a good one, but the character, Bert, made me

so anxious and angry, I wanted to jump into the book and hurt him badly. I have NEVER hated a character more in any book I've ever read as much as I did him. He was a sociopath. I'm not sure I'll read any of the other books in the series.

A bit ho-hum

Fantastic read

Thoroughly enjoyed the characters and the story line. Excellent book!

I'm reading the whole series. This particular one just an average read
