Customer Reviews

"The authors and editors have taken pains to make the text clinician-friendly...The page layout is pleasing to the eye and easy to use." - JAMA, review of the last edition "This isÃ A a 'must have' book for any serious student of clinical immunology...Certain highlights stand out for me: the use of line diagramsÃ A to supplement histological photographs is excellent- to provide clarity to the

features that are being demonstrated...overall , thiw book is very readable and user friendly, despite the size, and I learnt a lot. I heartily recommend this book." Reviewed by: Dr Andy Gennery on behalf of the British Journal of Immunology, December 2013

Great quality. Great book

Great Book must have and Read
