Customer Reviews

I love these postcards. I've had other from this publisher with other designs. They are so nice to color because they are a heavy cardstock, so you do not have to worry about ink bleeding through. Also, you have something useful when you are done coloring! I use my postcards for thank you notes, or other greetings to friends and family. I mostly use gel pens to color, sometimes use colored pencils.

Nice pictures, tiny little coloring spaces, hard for me to hold my hand steady to do it, but fun anyway.

This a little small for me to do, but my granddaughter whizzed thou this book.

I love to color and send handmade card and these will be so fun to create with.

I order these to give as "thank you" cards when someone buys clothes from my boutique. My customers LOVE them!

Love this book spent some time with my Grandson coloring our books.

Shall be fun.

Beautiful illustrations. All sorts of beautiful animals . . . I feel like I'm bringing them to life by coloring!
