Green Day: The Ultimate Unauthorized History

Synopsis

Formed in California's East Bay in 1987 by a 15-year-old guitar player named Billie Joe Armstrong and his bass-playing friend Mike Dirnt (later joined by drummer Tre Cool), Green Day has risen from the Bay Area's underground rock scene to become one of the world's most popular bands. Lauded for bringing punk rock to the masses, Green Day's remarkable rise from teenage garage band to multi-platinum artists is documented here for the first time to coincide with the band's 25th anniversary. Author and frequent Guitar World contributor Alan di Perna, who has interviewed Green Day's three members several times, offers readers and fans a complete band history, from their formation and first gigs in Berkeley, California, and signing to the Lookout! label through their highs and lows, eight studio releases (including the opening salvo 39/Smooth, the door-opening Dookie, the less well-received Warning, and more), the critically acclaimed Broadway show American Idiot, and their latest recording and film efforts. Di Perna's revealing text is accompanied by more than 300 visuals, including concert and candid off-stage photography, gig posters and handbills, 7-inch picture sleeves, rare vinyl, backstage passes, and more, all presented in a stunningly designed package.

Alan di Perna (Fountain Hills, AZ) is a freelance journalist and a frequent contributor to Guitar World magazine who has interviewed and written about Green Day several times.

I've read them all, and I must say that this biography is the most in depth Green Day book of its kind. Loads of great quotes from all the guys, especially Billie Joe. I feel like I know him so well now. The author obviously spent a lot of time with them. Lots of juicy details about the music and lives of a great band. The author speaks about the clothes, the language, the instruments, the loves, the gigs, even the makeup! The boys' stellar history is also portrayed in great style, from Sweet Children and onwards. Plenty of super rare photos you won't see elsewhere. If you like Green Day, you're truly gonna love this book!

My nephew, a Green Day fan, enjoyed this book very much. Not found in book store around here.

Green Day: The Ultimate Unauthorized History: A must have for the music library!!!!!!!!!!!!!!Nothing bad to say about it!!! Great book.

needed it for a report, kind of expensive for a book report and not enough info,

This is a nice looking book with plenty of pictures but there isn't much substance here. A lot of filler.

This is my son's favorite band, and I scored big time points when I bought this for him. I have to admit, Billie Joe is awfully cute, and I really dig the music.
