Best Sellers Rank: #13,270 in Books (See Top 100 in Books) #4 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > State Quarters](#) #9 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#) #1893 in [Books > Teens](#)

## Customer Reviews

The perfect book in a convenient size to hold my collection of quarters. These books have been around for a long time and I have always used them for my coin collections. Coins are easily inserted and don't fall out. Removing the coins takes a little more effort but I manage to get them out without any damage to the book.

I've started a collection for my grandson. It's a fun way to create something of value and engage new generations to develop an interest in coin collecting. The folder is strong and appears to be of high quality. Endurance counts when something is shared between generations.

It holds the quarters well. I have several Whitman books, all of the others were great. This one however, when I got the 1st one the pages were bowed, so I requested an exchange. The 2nd one came with the pages bowed as well. For the price might as well keep it since it works. Just wish it was the same quality as my other books.

The coins fit in this snugly and they are easy to snap into place. This is great for a novice collector

These books are a top notch book for any Collector. These books are never a disappointment.

Was exactly as indicated on listing. Arrived quickly.

As an avid coin collector, this coin album was appropriate to continue my growing collection.

Excelente producto. Recomendable.
